

# Working Process

## Step 1 **Enquiry**

You fill out our enquiry form or Contact us to get started

## Step 2 **Consultation**

We schedule a free Consultation to discuss the project in details.

## Step 3 **Pre-Production**

We plan & organise all tasks, Including concept development and preparations

## Step 4 **Production**

We bring your vision to life through shooting.

## Step 5 **post - Production**

We edit, sound design, colour correct, colour grade and then add special effects.

## Step 6 **Delivery**

we deliver the final project in digital or in physical media depending on the agreed method.
